

# FESTOON PHOTOGRAPHY

Our photography is documentary style.  
At Festoon, pictures are taken  
with the express intention to tell the story of the event,  
preserving your most cherished moments.

All shots are digital,  
and you get all the images to use as you would like.

We also offer a special service, that we call *Twin-View*.  
*Twin-View* puts two photographers at your singular event.  
Allowing us to be in more than one place at a time,  
and in turn, delivers you two separate views and vantage points.

We are located in Columbus, Ohio  
but love to travel.
